Fiscal Third Quarter 2003 Results To Be Announced On July 29, 2003

POWAY, Calif.--(BUSINESS WIRE)--July 22, 2003--Mitek Systems, Inc. (Nasdaq: MITK), a leading developer of automated check imaging and document processing solutions, today announced preliminary financial results for the fiscal third quarter of 2003 ended June 30, 2003. Mitek expects to report revenue of approximately \$2.8 to \$3.1 million and a net loss of approximately \$(900,000) to \$(1.0) million.

Commenting on the third quarter preliminary results, James DeBello, Mitek's President and CEO, said, "Despite our projected loss, we believe our financial position remains strong as evidenced by approximately \$1.4 million in cash and no bank debt on our balance sheet.

"During the quarter we expected bookings to meet our plan. However, due to the continued uncertainty surrounding the lagging economic climate, the sales cycle substantially lengthened and a number of customer deals failed to close by quarter end. We remain committed to aggressively working with our prospective customers and closing these sales.

"Although our third quarter performance was disappointing, we are pledged to reaching our goal of sustained profitability. We are making significant improvements in our execution of sales and marketing functions to meet objectives and will continue to strategically evaluate operations to reduce costs and improve margins," concluded DeBello.

Mitek will announce financial results for the fiscal third quarter ended June 30, 2003, before the market opens on Tuesday, July 29, 2003.
