### About Mitek

Mitek (NASDAQ:MITK) is a global leader in mobile capture and identity verification software solutions built on the latest advancements in AI and machine learning. Mitek's identity verification solutions allow an enterprise to verify a user's identity during a digital transaction. This enables financial institutions, payments companies and other businesses operating in highly regulated markets to mitigate financial risk and meet regulatory requirements while increasing revenue from digital channels. Mitek also reduces the friction in the users' experience with advanced data prefill and automation of the onboarding processes. Mitek's innovative solutions are embedded into the apps of more than 6,100 organizations and used by more than 80 million consumers.
