On January 6, 2022, the Board of Directors (the “Board”) of Mitek Systems, Inc. (the “Company”), based upon the recommendation of the Compensation Committee of the Board, approved the Company’s annual incentive program for the fiscal year ending September 30, 2022 (the “2022 Plan”). Pursuant to the terms of the 2022 Plan, certain full time employees of the Company, including the Company’s executive team, will be eligible to receive cash bonuses based upon the achievement of certain corporate and individual performance goals during the 2022 fiscal year. These bonuses are designed to attract, motivate, retain and reward the Company’s employees and executive team.

Under the 2022 Plan, achievement is tied to two financial metrics, revenue and non-GAAP operating income margin calculated with respect to the Company’s two business areas, deposits and identify. Participants are assigned a primary and secondary business area for purposes of the 2022 Plan. For participants who are director-level and above, 80% of the target incentive is based upon achievement of the revenue component of the 2022 Plan (with either (i) 100% of such target based upon the primary business area or (ii) 65% and 15% of such target based upon the primary and secondary business areas, respectively) and the remaining 20% is based upon achievement of the non-GAAP operating income margin component of the 2022 Plan, subject to additional limitations, as set forth in the 2022 Plan. For all other participants, 60% of the target incentive is based upon the achievement of the revenue component of the 2022 Plan (with either (i) 100% of such target based upon the primary business area or (ii) 65% and 15% of such target based upon the primary and secondary business areas, respectively), 10% of the target incentive is based upon the achievement of the non-GAAP operating income margin component of the 2022 Plan and the remaining 30% of the target incentive is based upon the achievement of individual objectives, as determined at the sole discretion of the Company, subject to additional limitations, as set forth in the 2022 Plan. The financial metrics shall be set by the Company upon approval by the Board, in its sole discretion.

Under the 2022 Plan, our Chief Executive Officer has a bonus target equal to 100% of his annualized salary; our Chief Financial Officer has a bonus target equal to 50% of his annualized salary; our Chief Technology Officer has a bonus target equal to 60% of his annualized salary; our Chief Legal Officer has a bonus target equal to 50% of his annualized salary and our General Manager has a bonus target equal to 50% of his annualized salary.
