About Mitek

Headquartered in San Diego, CA., Mitek Systems (Nasdaq:MITK) is a mobile imaging software solutions provider that allows users to remotely deposit checks, pay their bills, get insurance quotes, and transfer credit card balances by snapping a picture with their camera-equipped smartphones and tablets instead of using the device keyboard. Mitek's technology increases convenience for the consumer by eliminating the need to go to the bank branch or automated teller machine, and dramatically reduces processing and customer acquisition costs while increasing customer retention. With a strong patent portfolio, Mitek is positioned as the leading innovator in mobile imaging software and currently provides its solutions to Fortune 500 financial services companies.
