NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-CEN, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Mitek Systems, Inc. (the "Company") is unable to file its Annual Report on Form 10-K for its fiscal year ended September 30, 2022 (the "Form 10-K") within the prescribed time period without unreasonable effort or expense for the reason described below.

As disclosed in the Company's Current Report on Form 8-K filed on May 27, 2022, the Company received formal notice of the resignation of its previous independent registered public accounting firm, and as disclosed in the Form 8-K filed on July 18, 2022, engaged a new independent registered public accounting firm to act as the Company's independent auditor. As a result of the Company's transition to a new independent registered public accounting firm and the delays related to the filing of the Company's Quarterly Report on Form 10-Q for the period ended June 30, 2022, filed on October 28, 2022 and the Amendment No. 1 to the Company's Quarterly Report on Form 10-Q for the period ended March 31, 2022, filed on October 28, 2022, the Company needs additional time to complete its procedures related to the Form 10-K including compiling and analyzing supporting documentation in various areas that is necessary for the Company's independent registered public accounting firm to complete its audit procedures relating to the Form 10-K. Additionally, the Company is also in the process of evaluating deficiencies identified in connection with its assessment of the effectiveness of its internal control over financial reporting as of September 30, 2022. The Company does not currently anticipate that it will be able to file the Form 10-K on or before the fifteenth calendar day following the prescribed filing date as a result of the circumstances described above. The Company will seek to resolve these issues as soon as practicable and plans to file the Form 10-K as soon as possible.

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s). Yes No
- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As described above, the Company's new independent registered public accounting firm is in the process of reviewing the Company's historical revenue recognition practices for fiscal year 2022. At this time, the Company is unable to determine whether such review will impact prior fiscal years. Accordingly, the Company is currently unable to determine whether any significant changes in results of operations from the corresponding period for the last fiscal year will be reflected in the earnings statements to be included in the Form 10-Q.
